Update on Elevate CCBHC:

Elevate CCBHC was awarded \$650,000 for a capital project to build a 24/7 Restoration Center that will provide immediate access to an array of behavioral health and substance use disorder interventions with behavioral health needs in Waterloo.

The agency has been very intentional in building relationships with schools in Black Hawk County and has had a number of presentations in the last several months. The goal is to take a systemic approach and identify the most urgent needs to better support faculty, students and families.

Clinical Department:

Michelle McPoland, Clinical Director is hiring a part-time Therapist to add to the clinical team. The part-time Therapist will work evenings. McPoland stated the Clinical Department continues to grow and they are looking forward to adding more clinicians to the team to provide mental health treatment.

Future Meetings:

The board will meet again on January 27, 2022.
